**TABLE 1 — ATHLETICS PARTICIPATION**

Federal regulations require that the following information, based on the previous reporting year, be available for inspection by students, prospective students, and the public by October 15 of each year.

This table lists the number of participants by gender for each varsity team. According to the published federal regulations governing EADA reporting, a participant is defined as a student-athlete who, as of the day of a varsity team's first scheduled contest —

- (a) is listed by the institution on the varsity team's roster; or
- (b) receives athletically related student aid; or
- (c) practices with the varsity team and receives coaching from one or more varsity coaches.

Any student-athlete who satisfies one or more of these criteria is a participant, including a student on a team the institution designates or defines as junior varsity, freshman, or novice, or a student withheld from competition to preserve eligibility (i.e., a redshirt) or for academic, medical, or other reasons.

**TABLE 2A -- HEAD COACHES ASSIGNMENTS MEN'S TEAMS**

Federal regulations require that the following information, based on the previous reporting year, be available for inspection by students, prospective students, and the public by October 15 of each year.

This table lists the number of head coaches assigned to each men's team, whether that coach is a male or female, whether that coach is assigned to that team on a full-time or part-time basis, and whether that coach is a full-time employee of the institution. The table includes paid coaches, volunteer coaches, interns, and graduate assistant coaches. For purposes of this report, the term "Full Time Coaching Duties" means the individual's employment responsibilities at the institution are exclusively those as coach of that team, and only that team, and are consistent with the institution's definition of a full-time employee of the institution (e.g., 40 hours per week or more) or part-time employee of the institution (e.g., less than 40 hours per week). For purposes of this report, the term "Full Time University Employee" means the individual's overall employment responsibilities at the institution are consistent with the institution's definition of a full-time employee (e.g., 40 hours per week or more) although that individual may have responsibilities other than as coach of that team, either within the athletic department or another department of the institution.
